www.scoutsync.com

Who We Are

ScoutSync is a global scouting and recruitment management platform that uses data, analytics, and AI to streamline the recruitment process.

- ✔ **Founder & CEO** - Darius Willis former pro athlete and coach. Attended Indiana University and New York Jets.
- ✔ With years of experience helping international athletes navigate the U.S. recruitment process, we provide personalized support every step of the way.
- ✔ Our services are tailored specifically to meet the unique challenges faced by international athletes, ensuring they find the best-fit colleges and programs.
- ✔ We take pride in our success stories, with hundreds of athletes successfully recruited into **NCAA**, **NAIA**, and **JUCO** programs.
- ✔ From academic preparation to building standout highlight videos, we offer all the resources and guidance needed to streamline the college recruitment journey.

Our Vision & Mission

Creating Winning Opportunities

Vision

Creating life-changing experiences by providing access to a new level of insight to unlock the true potential of athletes, coaches, and teams.

Mission

The mission of ScoutSync is to revolutionize the global sports recruitment and management process by connecting athletes, coaches, and teams through innovative technology, data analytics, and AI-driven solutions. We aim to simplify and enhance talent discovery, reduce scouting efforts, and create opportunities for athletes of all levels to be recognized globally, while delivering personalized, efficient, and accessible tools that empower our users to achieve their full potential.
